In claim 1 —

on line 7, "first" has been deleted;

on line 8, --to-- has been inserted after "through";

on line 9, --removable-- has been inserted after "first" (first occurrence); and

on line 11, --removable-- has been inserted after "second".

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims is the inclusion in claim 1 of the reservoir extending through to the first top surface and the first bottom surface, a first removable cover positioned on the first top surface in order to cover the reservoir, and a second removable cover positioned on the first bottom surface in order to cover the reservoir. None of the art cited disclose these concepts.
